

ARKANSAS CROSSROADS 14" FINISHED BLOCK scrappy version

Cutting

For each block: Cut twelve 4" Squares from a variety of fabrics
Cut two 7 1/2" Squares from "crossroads" fabric

The sample quilts used just nine of these blocks

Assembly

1. Make 2 sets of 4-patch from the 4" squares

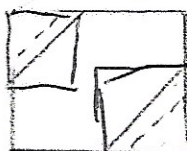

2. On the remaining 4" squares draw a line on the diagonal

3. With right sides together sew 2 of these to one of the 7 1/2" cornerstone squares. Repeat with remain squares

4. Trim away the excess from the scrap and, if desired crossroad fabric. Press open

5. Sew together these 4 squares as shown above for the completed block
