

Off-Set Squares Quilt

Supplies:

A pile of 4" or 5" squares of various fabrics, various colors

An equal number of 2" x 4" or 5" white rectangles

- 1) To make a UNIT: Chain sew one square and one rectangle together using a 1/4 inch seam allowance:

- 2) Strip One: Sew UNITs together until strip is about 40 inches long. Cut one colored square in half and add it to the end of Strip One after a white rectangle:

- 3) Strip Two, start with one half of a colored square and sew a white triangle to it. The rest of the second row will be sewn with one square and one white rectangle. Sew the units together as the first strip but add one colored square to the end:

- 4) Sew together Strips One and Two alternately to make your quilt. APPROXIMATE SIZES: 40" square for a baby quilt, 50" long for a lap quilt, 60" long for a stretcher quilt. May be adjusted for the size YOU want to make!
